Our Trail to Eagle program is focused on scouts who have attained the rank of first class or higher. Over the course of the week scouts will work on eagle required merit badges. They will also perform a mock eagle project going through the appropriate steps and learn to fill out the eagle workbook as though it were real for them. Our team of Trail to Eagle staff will bring in Eagle scouts to discuss projects and expectations and what it means to be an eagle scout. For more information please refer to our website or feel free to contact us via email. Scouts can be registered as individuals to assist them on their journey to eagle.
